information is maintained in the file.

Remarks/suggestions: Effective follow up was done to reduce the shortage of attendance. Still to reduce the detained and condonation number further regular parent teacher meeting should be arranged to inform the status of the student. From next semester onwards the detained list and condonation list should be brought to zero necessary action should be taken to achieve this target.

### Overall observations and recommendations:

- 1) It is suggested that more collaborations with industries should be taken for better job opportunities.
- 2) It is suggested to take up extra classes to complete the syllabus as per schedule
- 3) Mentors are suggested to do the personal counseling
- 4) Take necessary action to reduce the first hour late comers.
