Narayana Engineering College, Nellore has organized an awareness Program on **"TOWARDS AHEAD" (Opportunities in IT Industry)** on **16<sup>th</sup> August 2019**. The Resource Person Mr. **Rupesh Rohith Tirumalla**, M.Tech (CSE), Senior Systems Engineer, Simens Technology & Services, Bangalore took over the session and created awareness among the students regarding Opportunities in IT Industry. In this programme, the resource person explained about the software knowledge and skills that a computer science student must have to get an opportunities in IT Industry. He specified that a CSE student must be aware of databases, knowledge in

problem solving, knowledge in programming, communication skills and must be able to have the knowledge about scripting languages. Students can have opportunities like

Software Engineer,  
Computer Systems Engineer,  
Web Developer,  
Information Security Analyst,  
Database Administrator,  
Artificial Intelligence,  
Network Engineer,  
Games Developer,  
Software Programmer,  
IT Manager, etc.

More than 50 students of IV B.Tech (CSE) have attended the session and cleared the queries regarding their career. The session is about career and survival techniques in IT industry. The whole programme is conducted with the prior permission of the principal Dr. G. Srinivasulu Reddy sir, Head of the Department Dr. C. Rajendra sir, and professor in charge of career guidance cell Mr. V. Muniraju Naidu sir.

*Deliver the key concepts of opportunities in IT industry*

*Felicitation to Resource Person*
