11	Signature of In charge/convener			

In eve of National Technology Day, the department of ECE has organized "Essay Writing Competition" on behalf of "**AKHYANA**" (students association) on 11.05.2022. The competition was written type where the students showed up their knowledge in the way they see this enthusiastic world and how engineers can contribute it enormously comprising the topic **"TECHNOLOGY ENHANCES CREATIVITY".**

National Technology Day is celebrated on May 11 every year to honor the contributions of India's scientific community including scientists, researchers and engineers. The significance of the date lies in the series of technological advancements the country achieved on the day decades earlier.

On May 11, 1998, India broke into the small group of countries that hold nuclear weapons. On that day, India successfully carried out nuclear tests at the army's Pokhran test range in Rajasthan. In doing so, India became the sixth country to join the 'Nuclear Club'.

Dr. K. Murali, addressing the students about the importance National Technology Day

Students participating in the Essay Competition

Students from different departments were participated in this competition. Forms were received from students of almost all departments.

Overall, 94 students from the Institute submitted their essay's. Considering these responses, the student association selected 10 best essays out of 94 by rating them over 6 various parameters-

- ➢ Creativity,
- ➢ Structure,
- ➢ Grammar,
- ➢ Adherence to Topic,
- ➢ Length & Wow-Factor.

Further the event was judged by Dr. K. Murali, Head of the Department, ECE. He selected 3 essays as winners of participants namely:
