The department of Electronics and Communication Engineering has conducted Quiz Competition on behalf of AKHYANA, Student Association 07.12.2022. All students of B.Tech(ECE) came forward to participate in this event.

QUIZ plays a predominant role in this modern world. To reinvent the education system and give students a break from traditional classroom learning, there is a dire need to revive the quiz culture in schools and colleges. And technology can act as a facilitator by bringing innovation to quizzes and ensuring active participation among students.

Besides the obvious academic benefits of expanding a student's knowledge and exploring new skills at an early age, quizzes redefine the education system in significant ways. AKHAYANA, Student Association informed the students about the procedure of this competition and also emphasized on the importance of participating in this event.

Students actively participating in the quiz competition

There were two rounds in the quiz competition. The first round was multiple choice questions written test. Out of 52 participants, 26 teams participated and 10 teams were selected for the second round. The second round consisted four sub rounds from which top three teams were selected as winners.

All the students of B.Tech-ECE actively participated in the quiz competition and all the ISF student committee members were actively involved in organizing the event very efficiently. The students have effectively enhanced the relevant knowledge through the quiz competition.
