The department of **Electronics and Communication Engineering** has conducted **Elocution competition** on behalf of “AKHYANA” (students association) on 22.04.2022 for all the ECE students.

**Elocution** is the way or the manner of speaking — it is the skill of delivering the clear and expressive speech. Elocution focuses on grammar, style of speaking, tone, proper use of gestures, stand and dress. It is an art that can help you to stand out in the crowd and draw attention. Good elocutionists focus on their gestures, vocabulary, emphasis, voice modulation, oratory skill, diction, accent and posture to increase the effectiveness of the speech to describe the topics.

The students were asked to speak on the topics

1. **Is Climate change really affecting our lives**
2. **Technological developments for the uplift of the society**

The above **event** had **enthusiastic participation** of around 90.

*Participant Speaking at elocution*

*Gathering at elocution*

The event was judged on the basis of the student's vocabulary, presentation and creativity. The purpose of the competition was to encourage the students to enhance their thinking and speaking skills.

The winners were announced by the Head of the department, Dr. K. Murali and are as follows.
