

Birth Centenary of Dr. Vikram Sarabhai:

The Department of EEE has conducted a program "**Birth Centenary of Dr. Vikram Sarabhai**" on the Eve of 100th birth anniversary of Dr. Vikram Sarabhai the Father of India's Space Programme, on August 12, 2019. Around 200 students attended the program from II & III EEE . ISRO has launched a year-long programmes and functions from today to commemorate the birth centenary of its founder and eminent space scientist Dr. Vikram Sarabhai.

Teacher's day:

Narayana engineering college, Nellore celebrated Teacher's day on 2th sep 2019. The program was inaugurated by lightening the lamp by the Dignitaries on the dias at the auditorium. The event started with HOD's Speech, Teacher's Day is celebrated on September 5 in honor of Dr.Sarvepallai Radhakrishnan. During his speech Dr.G.Venkateswarlu said Teaching job is a Nobel Profession, A Teacher leads his discipline from ignorance to enlightenment through the education and proper guidance. To do this a teacher has to have a clean and dignified character and should be a model in the society. Every successful person in the society has a teacher behind him, hence a teacher job is very philanthropic.

Finally it is tradition that we offer a garland to a respectable personality. So all the Teaching and non teaching staff members respected great personality Dr.Sarvepallai Radhakrishnan with flowers.

National Level Technical Symposium in Electrical Engineering (NTSEE-19):

On 18th October 2019 Narayana Engineering College, Nellore organized a “**National Level Technical Symposium in Electrical Engineering**” (NTSEE-19). The event started with the formal Inaugural function at 9.30a.m in Visweswaraiiah auditorium. **Dr.AVS.Prasad** ,Director NECN, **Dr.G.Srinivasulu**, Principal NECN, **Dr.G.Venkateswarlu**, HOD EEE were present on the dais. K.Suresh Babu, Deputy Executive Engineer, APGENCO, I.Ramesh Muni, Superintending Engineer, APGENCO was invited as chief guest to this event. Chief Guest inspired the students by his speech, in his address he explained the six principles needed to be successful hard work, passion, practice, urge to be remarkable, experience of failure, positive attitude. Finally concluded his speech with a quotation "Success is a journey and not a destination". The event was an appropriate platform for students to come up with their own innovative ideas in their respective streams.

In the technical events there are **160** paper presentations ,**43** poster presentations, **20** batches of Technical quiz and **30** working models Expo were held in a lively manner. All events were completed by 4pm with the winners list. Lunch was provided for all participants, co-coordinators and faculties.

Valedictory function started at 4.30pm with Chief guest and Principal. Prizes and certificates were distributed to all the winners and participants by the chief guest. The function was finally ended by thanking management, Principal, HOD, Faculties, Non teaching staff and all student coordinators who worked for this event to make this event a grand success.

FRESHERS DAY CELEBRATION

“Electro-fest” was organized by the department of Electrical and Electronics Engineering for the first year students in association with Faraday’s club. Continuing with the proud tradition of the college, senior students and newcomers of the college mingled with each other at the fresher’s day “**Electro-Fest**” welcome party held on 20th October 2019 in the college campus. It was as a memorable day in the life of every fresher of I.B.TechEEE Students 2019-20 at Narayana Engineering College, Nellore. The fresher’s day was filled with excitement, joy, music, enthusiasm, laughter and happiness. The dress code for the fresher’s day was “dress your best”.It was a fun filled event at which the fresher’s got an opportunity not only to showcase their talents and but also to interact with the seniors.

The celebration started at sharp 09.30 AM hour at the EEE Seminar hall by our anchors Manasa and Jyothi with the warm welcome of all the dignitaries present in the function. This was followed by the Saraswatipooja and lamp lightening by the Dignitaries. Followed by this the welcome speech was given by our beloved HOD, Dr. G. Venkateswarlu, and the fresher were formally welcomed into the NEC Family, and other guests of honors were also introduced.

Events started with solo dance and solo singing performances by some of the best dancers and singers of second year. After this all the first year students are given self introduction about them. They introduced themselves one by one in the allotted time which was 1 min per contestant. All of them were impressive in their own way. Both the anchors went up to the audience and asked them random question which any one would answer. All of them enjoyed a lot.

Finally the program ended, leaving behind sweet memories that will be cherished lifelong.
