

## TECHNAYAN 2K21

FRESHMEN ENGINEERING DEPARTMENT OF NARAYANA ENGINEERING COLLEGE, NELLORE, organized a one day National Level student e-technical symposium **TECHNAYAN 2K21** on 31-7-2021 virtual.

The resource person, N. Venkateswarlu, DGM, BSNL, Southern Region, explained the importance of technology, latest technologies in communication and also clearly shared his views on the responsibilities of future engineers.

Principal, Dr. G. Srinivasulu Reddy, HOD FED, HODs of other departments, faculty members and students were present.

The students actively and with curiosity listened to the words of the resource person and made the event successful.
