TECHNAYAN 2K23

Hosted by

Freshman Engineering Department

## TECHNAYAN 2K23

TECHNAYAN 2K23 is the National - Level Technical Fest organised by the **Department of Freshmen Engineering, NECN** in which competitions are conducted in various Technical and Non- Technical events for students every year. This event encourages students to participate and showcase their talents. Students put in their best efforts in learning how to manage time effectively, prioritize work, follow a schedule, and respect deadlines. Most of the activities being group-oriented students get the opportunity to know about people from different cultural backgrounds and interests.

These healthy interactions not only enhance interpersonal and communication skills of students" but also prepare them for the real world. Technical Event plays an important role in the college curriculum. It is one such event where young brains get to showcase their skills and compete with others to find the best. It is not just about the competitions but also an event where a lot of those new ideas are seen live and learn more and be inspired. Such inspiring events that happen every year in various colleges will guide students to dream bigger and make those dreams come true.

TECHNAYAN 2K23 was successfully organized by all teaching, non teaching staff members and student voluntaries. Students from various institutions around 500 members attended the programme and participated in all the activities. All concerned In charges, co ordinates and volunteers of programme was facilitated to event participants.

- The programme was started around at 10 a.m. All the dignitaries were presented. Respected principal sir Dr G Srinivasulu Reddy garu started the by lighting the lamp and encouraged students by his valuable speech on scope of Technology. FED, HOD Dr U Subramanyam sir inspired students by his motivational speech. Chief Guest Usha yanamandra garu gave a presentation on personality development.
- Student's participations were judged by concerned co ordinates of the activities.
- Prizes were given to 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> winners of the activities.
- Event was successfully completed with vote of thanks to management, organizers and participants.
