Report:

The Resource Person Mrs. A. Vijaya Lakshmi, Village Women Protection Secretary, Nellore, has given awareness on how to create personal security by utilizing women safety apps. The zoom credentials meeting ID is 622335 and password is 380091. She gave some suggestions to the students on how to protect themselves when they are alone. Women can use smart phone efficiently for personal security or for other protection purposes.

The best way to minimize chances in becoming a victim of violent crime such as robbery, sexual assault and domestic violence is to be identified and depend on recourses to get help out of unsafe situations.

The Resource person projected different types of apps, which will act as security guard for the woman, protecting them in any situation. The different apps such as

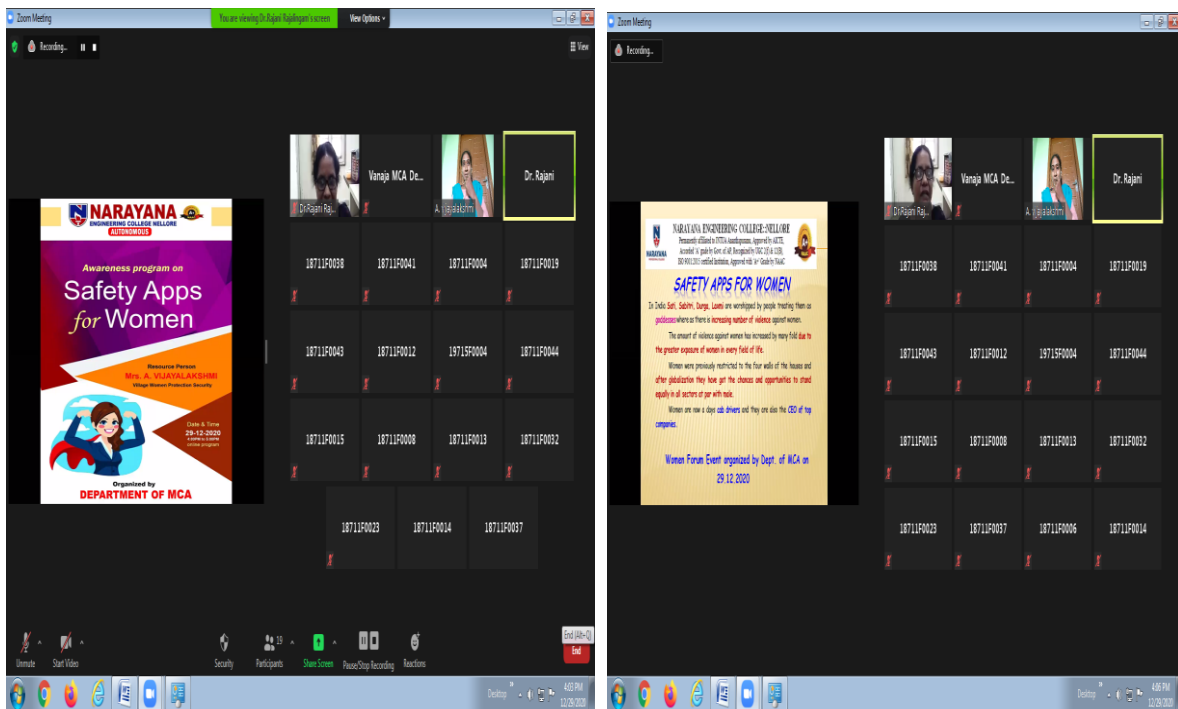

- Eyewatch SOS for Women
- iGoSafely
- Smart 24x7
- Shake2Safety

Women's Forum

- CitizenCop and Chilla

Technical services division of the *Andhra Pradesh* developed *DISHA App*. It is a step towards the safety and location by Andhra Pradesh Govt. Disha SOS services helps the women and citizens in emergency situations. Disha app sends an alert to the Disha control room when a woman or girl in distress just shakes the mobile phone. This app is also integrated with needful information like nearby safety places, near police stations, nearby hospitals and useful contacts.

Finally the resource person concluded that, every woman should be aware of technical safety measures which help to protect them from vulnerable situations. Total 25 students and faculty attended in this program. The students gained knowledge on various women safety apps and participated interactively in the session.
