Happiness comes from

creative efforts. The joy of dreaming, creating and expressing your thoughts by drawing and painting is unparalleled. The famous painter Pablo Picasso said, "Every child is an artist". Keeping this in mind and to explore the creative potentials in the young minds **Varna club of Narayana Engineering college organized a Painting competition** on 19th August 2019.

It was a day where we saw creativity exploding in every piece of art. It was a wonderful opportunity to think out of the box. The competition not only serves its sole purpose but also gives us a platform to display our vivid ideas and learned more by interacting with others. It also enhances awareness amongst students so that the compatibility with nature becomes their motto in life.

The competition was open to students of B.Tech Huge participation was seen.
