About the Institute:

Narayana Engineering College (NECN) is one of the premier engineering colleges in Andhra Pradesh sponsored by Narayana group of Educational Institutions. NECN aims to expand the goal of education for building students' character, creating a well-rounded individual possessing key skills with higher emphasis on critical thinking and holistic learning.

NECN, over the past 25 years has become a shrine of knowledge and shaped thousands of famous and adroit graduates and post graduates, who became successful in their careers, serving all over the world.

The credentials include placement of 11000+ students till date since the inception of the college. NECN has bagged more than 33 gold medals from JNTU, Ananthapuramu and 16 Prathibha awards from the Govt. of A.P till now.

Some of the unique features are, NECN has full Autonomy, accredited with National Assessment and Accreditation Council (NAAC), National Board of Accreditation (NBA) for CSE, ECE, and EEE for three years, Ranked Grade 'A' by Government of Andhra Pradesh, Recognized by UGC 2(f) and 12(B), and certified by ISO 9001:2015, ISO 14001:2015, ISO 50001:2018 and permanently affiliated to JNTUA, Ananthapuramu. The College has renowned brand and students take pride in associating themselves with the institution.

The college offers B.Tech. Programmes in 10 faculties of Engineering namely, Electronics & Communication, Electronics and Communication (Advanced Communication Technology), Electronics Engineering (VLSI Design & Technology). Computer Science, Computer Science (AI), Computer Science (AI&ML), Computer Science (DS), Electrical & Electronics, Mechanical and Civil Engineering. The college also offers Post Graduate programmes MCA, MBA. and M.Tech. in VLSI, EPS & CSE.

About the Department:

The aim of the Department is to produce professional Software Engineers, who combine academic excellence with practical expertise. The Department of Computer Science and Engineering (CSE) came into existence at Narayana Engineering College in 1998 by the approval of the All India Council for Technical Education (AICTE).

The department has progressed rapidly and is now regarded as one of the premier departments, with excellent infrastructure and a highly qualified and dedicated faculty.

At present, the Department is offering B.Tech (CSE), AIML, DS, Al & M.Tech (CSE) with total and intake of 180, 60, 60, 60 and 18 respectively. The majority of our students have been well placed in many MNC's through pursuing their higher education at various premier institutions and also in abroad.

The Department involves in teaching and research in diverse aspects of Data Science, Neural Networks, Machine Learning, lot and Computer networks. Apart from teaching, the faculty. members have been vigorously pursuing research and regularly. publishing research papers in various National and International Journals of repute as well as in prestigious conferences.

Objective of FDP

The Faculty Development Programme on "Modern Approaches to Teaching and Learning" aims to equip participants with innovative teaching methodologies and strategies for creating impactful, learner-centered educational experiences. This program covers diverse topics such as modern pedagogical techniques, technology integration in education, blended and online learning models, and effective assessment practices. Participants will explore solutions to contemporary challenges, including engaging hybrid classrooms, fostering critical thinking, and addressing diverse learning needs. By the end of the FDP, participants will gain practical insights into implementing modern teaching approaches to enhance the teaching-learning process.

Resource Persons:

Experts from industry and prestigious academic institutions.

Topics to be Covered:

- ❖ Introduction to Modern Pedagogical Techniques
- ❖ Technology Integration in Education: Tools and Applications
- ❖ Blended and Online Learning Models for Enhanced Engagement
- ❖ Active Learning Techniques and Collaborative Learning Approaches
- ❖ Effective Assessment Practices for Student-Centered Learning
- ❖ Trends in Educational Technology: AI and Gamification in Learning.

Eligibility:

- ❖ Faculty from AICTE recognized Engineering colleges, Industry Professional and Research Scholars.

General Information:

- ❖ Registration Fee: **Rs. 500/-** per candidate.
- ❖ Filled in Registration form is to be sent to the Convener on or before **28.10.2023.**
- ❖ Certificate will be provided for each participant after successful completion of the FDP.
- ❖ Send the scanned registration form to hodcse@necn.ac.in
