Proceedings:

1. Action Taken Report

- The coordinator presented the implementation status of the action points from the last meeting.
 - Highlights included:
 - NBA accreditation's impact on college reputation.
 - Progress in establishing systematic feedback mechanisms.
 - Coding Club activities and placements enhancement.
 - Minutes of the 13th IQAC meeting were reviewed and approved.
-

2. NCC Unit Registration Progress

- The Chairperson reported progress on the NCC unit application and registration process.
 - Members discussed strategies for facilitating the approval and ensuring active NCC participation among students.
-

3. Implementation of Feedback Systems

- A review of the feedback mechanism for curriculum and facilities was presented.
 - Members suggested expanding the feedback channels and using data analytics for actionable insights.
-

4. Progress on AICTE-Idea Lab

- Updates on the proposal submission and resource planning for the AICTE-Idea Lab were shared.
 - The Chairperson emphasized prioritizing the lab's establishment to encourage innovation.
-

5. Planning for Hackathon Events and Coding Club Activities

- Plans for organizing institutional and inter-collegiate hackathons were discussed.

- Members highlighted the importance of involving students in real-world problem-solving through Coding Club activities.

6. Status Update on PMKVY Scheme

- The coordinator provided updates on the courses initiated under PMKVY and their impact on student skill development.
- Members recommended regular monitoring of course outcomes.

7. Other Points Discussed

- Enhancing the placement process with targeted training programs.
- Exploring the possibility of introducing new branches and increasing student intake.
- Ensuring timely follow-up on the one-year NAAC extension for autonomous colleges.
- Website updates for better outreach and visibility.

Suggestions Received

- Timely submission of Annual Quality Assurance Reports.
- Focus on quality over quantity for placements.
- feedback processes for actionable improvements.
- Conduct workshops to promote hackathon participation.
- Accelerate initiatives related to AICTE-Idea Lab establishment.

Closing Remarks:

The Principal appreciated the active participation and suggestions from all members. The next IQAC meeting was tentatively planned for July 2024.
